THE 1964 JEB

Volume XV
Presented By The Jeb Staff
Stuart High School
Stuart, Virginia

Jay Flippin, Editor
Cindy Martin, Business Manager

Foreword

A school year is a happy conglomerate of people, places, and events, good and bad. It contains cold mornings, irate teachers, ill-prepared homework, and exams. Fortunately it is also blessed with warm fellowship, humorous situations, basketball victories, and a joy in the realization of worthwhile accomplishment. All these things are parts of an educational process, for education is the gradual molding of mind and personality by everyday experiences. It is this broad scope of experiences that the 1964 Jeb seeks to mirror in A through Z at Stuart High.

Administration

Both the elementary and the secondary grades of Stuart School are very fortunate in that they are led by truly outstanding faculty members and administrative officials. These men and women are devoting their lives to the education of youth, knowing as they do so that they are shaping the world of tomorrow. Their high ideals, superlative academic achievement, and conscientious application of themselves to teaching assure the student who seeks knowledge that he will not be disappointed.

Principal's Message

Education as we know it today encompasses a wide facet of our life. This yearbook project is one of the many parts of the educational process, and it is the fruits of the labors of both the pupils and their sponsors. I am quite sure that one and all may be proud of this undertaking, and it is my sincere hope that each one may be just as proud to have been a part of the school represented here.

High School

"Silly" sub-freshmen, "frantic" freshmen, "sophisticated" sophomores, "jocular" juniors, and "stately" seniors--these are the individuals who daily invade the halls of Stuart High. Without them, a school would be neither possible nor necessary. They may be divided into classes, but they are all members of, participants in, and contributors to Stuart High School, which, like any other organization, can and will be only as good as they make it.

Organizations

Students at Stuart High have an opportunity to help themselves and their school by active participation in school organizations and clubs. These groups provide a meeting place for students of like interests, a chance to broaden knowledge and experiences through activities, and a useful outlet for creative ability and imaginative work. They are of great service to the school, helping, through their programs, projects, assemblies, and extra-curricular activities, to make school more interesting and rewarding for pupils and teachers alike.

The Student Council Is The

S.C.A. officers assist with orientation of first grade students.

S.C.A. representatives keep the book store during their study halls.

The Student Cooperative Association consists of all Stuart High School students. The goals of the S.C.A. are: (1) to develop in our school the kind of students who are worthy citizens of the home, the school, the community, the nation, and the world in which they live, (2) to help provide a wholesome spiritual, mental, social, and physical school environment, (3) to assist in working on community projects, such as providing food, clothing, and comfort to procure a fuller measure of happiness for the less fortunate members of our society.

The Student Council is the group chosen by the students to represent their interests in the activities of the school. Participation in elections and the work of the council provides valuable experience in democratic processes.

The work of the Student Council began in the summer with the preparation of the student handbooks. On the opening day of school the representatives assisted with the orientation of new students and sponsored an assembly program. The two major social events of the year, the Christmas social and the Homecoming, were sponsored by the Student Council.

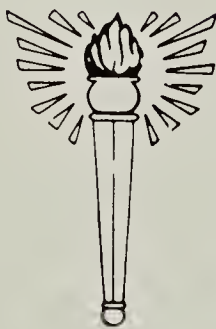

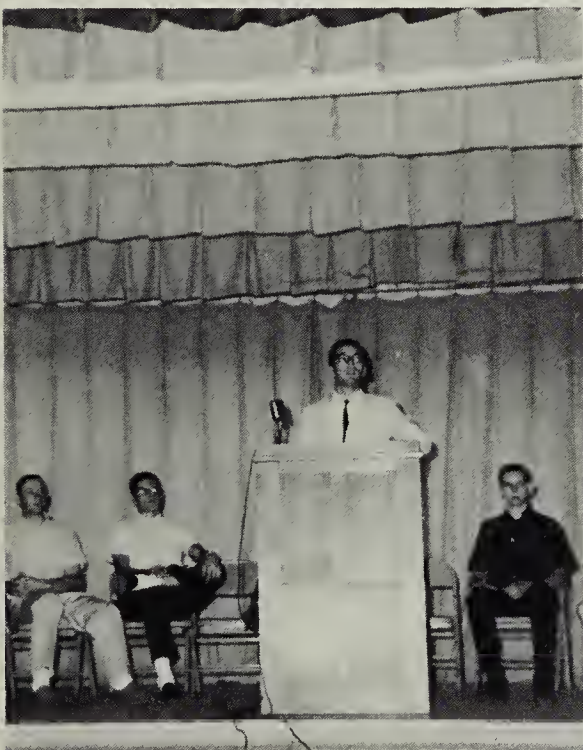

FIRST ROW: Barbara Byers-Secretary, Deanna Spencer-Treasurer, Donna Ruth Church-Reporter. SECOND ROW: Mr. J. Earl Jarrell-Sponsor, Nash Williams-President, Roger Anglin-Vice-President.

The Beta Club is a non-profit, leadership, service organization designed for high school students. The club tries to stimulate effort, reward achievement, and encourage and assist its members to continue their education after high school. To fulfill this purpose, the Beta Clubs of the county have set up a scholarship fund to enable a worthy student to go to college.

New Beta Club members suffer through initiation.

The Future Homemakers of America had as their theme this year "MARRIAGE CALLS FOR PREPARATION." They found this to be both interesting and informative. Members prepared a prize-winning booth at the Patrick County Agricultural Fair which carried out this theme. Two additional projects the members enjoyed were presenting radio programs and a skit on early marriage. The final event of the year was a Mother-Daughter Banquet at which the girls entertained their mothers and received degrees for outstanding achievement in the homemaking program.

An important school service of the Hi-Y Club is daily devotions.

The purpose of the Coed Hi-Y Club is "to create, maintain, and extend throughout the home, school, and community high standards of Christian character." The club promotes this purpose through many school and community projects. Among the school projects are thoughts for the week, bulletin boards, and daily devotions. The club sponsors four campaigns during the year, emphasizing Clean Speech, Clean Sportsmanship, Clean Scholarship, and Clean Living. Community projects include delivering food to needy families and making favors for the hospital.

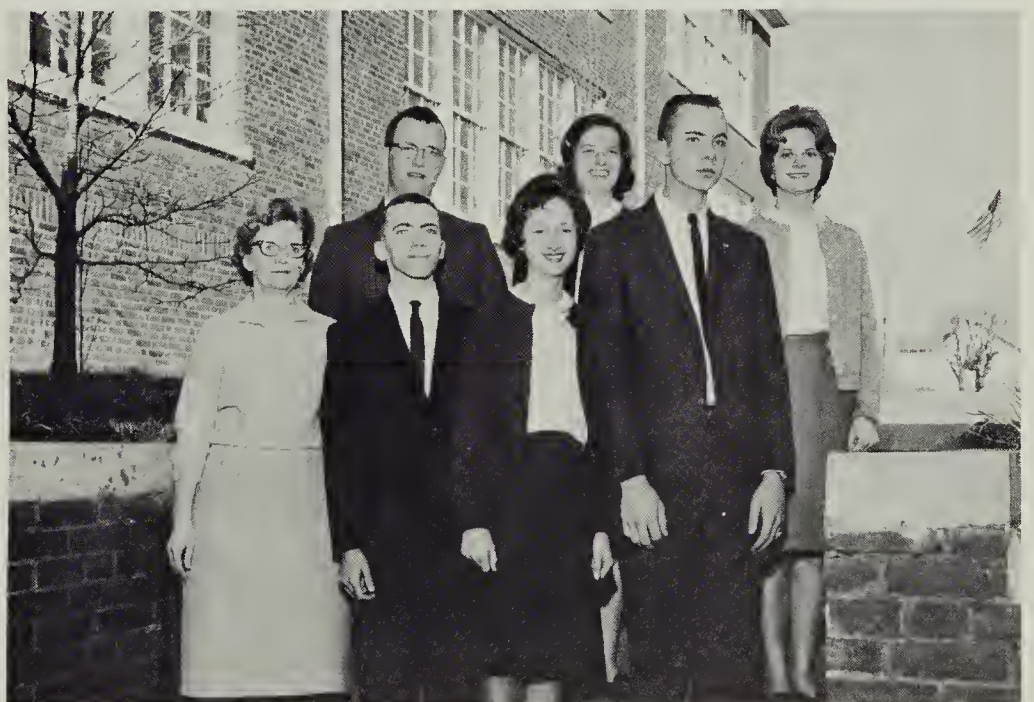

This year the club sent delegates to the Model General Assembly held at the state Capitol in Richmond. For the first time the club received the ACE rating from the Virginia District Y.M.C.A.

Hours Of Hard

Annual Staff members work to prepare best annual ever.

The JEB Staff has one goal toward which all the year's work is directed--the publishing of this yearbook. Selling ads, drawing pages, taking pictures, and typing copy are but a few of the tasks that confront the members. Work on the annual begins in the summer and continues through the following spring. Staff members and sponsors must work daily to keep production on schedule. The satisfaction of seeing a job well done makes all effort worth-while.

Sports

Sports at Stuart High derive their major importance from the fact that more students participate in them than in any other school activity. This participation may be direct or indirect, but almost everyone takes part as a cheerleader, ballplayer, or enthusiastic spectator. Enthusiasm on the part of fans is well justified, for Stuart can claim a truly outstanding athletic department with excellent coaches and winning teams. The student body can also take pride in its record of good sportsmanship, a constant attribute of Stuart supporters in victory or defeat for many years.

Basketball Team Goes Undefeated In District "R"

The team, under the leadership of its new coach, Mr. W.D. Walker, has displayed vigor, endurance, and determination, prerequisites for athletic excellence. In addition, the boys have shown fine sportsmanship--a trait which is the mark of a good basketball team in victory or defeat.

Cheerleaders Invoke Spirit In Teams And Fans

"Let's go!"

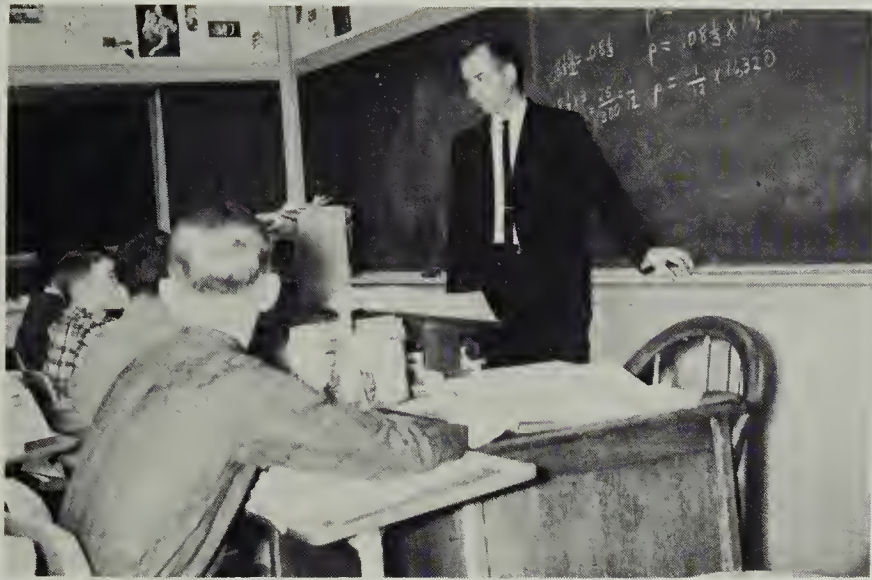

The Cheerleaders are a group of girls with a distinct responsibility to the fans and basketball teams. They work many hours each week creating new yells and working for precision and excellence in their execution. Each cheerleader has a duty not only to lead the yells but also to serve as an example of good sportsmanship to her fellow students. A cheerleader is a representative of her school and her school is judged by the way in which she conducts herself.

Student Life

The ordinary, day to day life of Stuart High is punctuated here and there by individuals and events that are unusual, memorable, or unique. These individuals and events are special, and occupy a special place in the minds and hearts of students. They will be remembered long after many of the trivialities of school life have been forgotten. Thus, they form the essence of a school year, reflecting the attitudes and experiences and condensing the hopes, joys, achievements, and disappointments of an entire year into one small set of memories.

This year's Christmas Social was a drastic departure from the socials of former years. Instead of exchanging gifts, students contributed food and money to provide Christmas presents for needy families in the community. The program included carols, refreshments, a visit from St. Nick, and a religious assembly.

Elementary

Almost two thirds of the "population" of Stuart School consists of members of the elementary grades. These grades are of obvious importance, for it is here that ideas are encouraged, study habits formed, opinions fixed, and friendships cultivated. The elementary grades help give students the mental, physical, and emotional preparation necessary for success in the more complex secondary grades and in the highly complicated world of day-to-day life.

Dear Senior Class of '64:

You are now completing your public education and it is in order to extend to you "Congratulations" for your perseverance and final achievement.

You are standing on the threshold of a new and exciting life. Commencement is truly the beginning----the beginning of greater accomplishments and greater responsibilities. Some of you will go to college pursuing a higher education to better fit you for life. Others of you will take up your responsibilities in the business world. Wherever you go or whatever vocation you engage in, we hope and pray that the future will be good to each and everyone of you. In this connection, you may rest assured that you may depend on us to render the best possible service to you and your community in every way that we know how. Your problems, either insurance or in civic affairs, are of prime interest to us.

Wishing you the best of luck for the future, we are,

Sincerely,

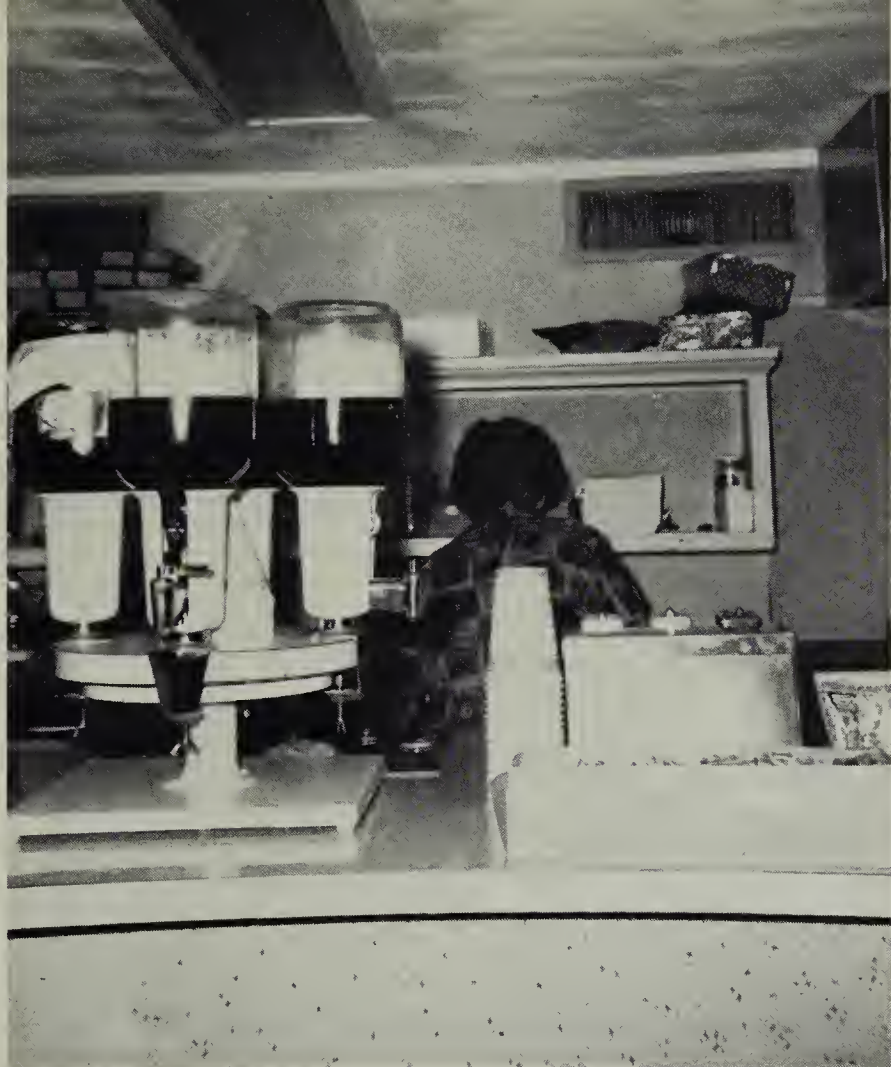

Paris H. Pugh, Owner

Staff:

Mrs. Betty Jo Hundley
Mrs. Elda L. Gilley
